Spuds and The Crock of Gold by Seamus Ó Conaill

Shamrock shakes and chocolate cakes! Me crock of gold is gone!’

It was the first of May, the start of summer, but for Spuds Potsofgold it was not a good day. Two things had gone horribly wrong. The first was that his precious crock of gold disappeared while he was taking a nap, the second was that he couldn’t stop sneezing!

How will Spuds solve the mystery of his missing crock of gold, and what is to be done about his allergy to Steve, his pet mouse?

Join Spuds and his wife Rose along with goldcrests, Bonnie and Tyler, Maggie Magpie and Leggers McWeb as they try to solve the mystery!
