

A moment in Prayer.

We bring to mind our special First Communion girls and boys.

Just when they looked forward to going to Mass and walking down the Church aisle like everyone else to receive the body of Christ, the Church doors had to be closed to protect us from Covid 19.

We remind them that while they are waiting on their Holy Communion, that every time we receive kindness and love from our parents, brother or sister, we receive Jesus Christ in our hearts.

In the same way, every time we show understanding, patience and forgiveness to them, we give them a part of Jesus Christ from our hearts.

We hope this prayer will help them during these days:

Dear God,

Thank you for my family and the things we do together.

Thank you for the meals we eat,

for the jokes we share,

for the telly we watch,

for the place where we live.

Help us to remember that we are part of your family.

Look after my family when we have to be apart.

Thank you for the thoughts we share,

the phone calls we make,

the memories we keep,

the prayers we pray.

Help us to remember that you are with us all.

Amen.

God bless,
